

ENVIRONMENT POLICY

D McLaughlin & Sons Ltd is committed to where possible reduce Environmental impact by the following goals:

- 1 Reduce waste by careful on-site management of materials (to be maintained daily by site manager and weekly by director).
- 2 Utilise best practise waste removal i.e. separation of clean, recyclable and mixed waste deposits.
- 3 Environmentally appropriate raw materials to be used where available and appropriate.
- 4 Employee and subcontractor on-site awareness of impact of excessive waste.

Signed:

P D McLaughlin
Director
